

TWO SCHOOLS ONE COMMUNITY NEWSLETTER

EDITION 39 - 17TH JULY 2026

Dear Parents and Carers,

And just like that, the end of the academic year has arrived and again there is much to celebrate, both academically and holistically!

First of all, we must congratulate our Y6 children on the highest SAT's results for our school over the past 3 years, across **ALL** areas - Reading, Writing, Maths and GPS. Your hard work and determination to SHINE is something to be proud of! Tears of joy all round!

Our Y4 smashed this year's Multiplication check achieving well above national standards and our Y1 phonic screening check reached the highest percentage of passes too! Another whoop!

Across the school, the children have enjoyed 'House Point' days provided and paid for by the PTFA! There have been disco's, Shining Star Awards and tea parties! Each year group has presented an assembly to their families and Y2 and Y6 have SHONE brilliantly in their end of year productions!

Northway Sports Star has been awarded to the infant children, who achieved either Bronze, Silver or Gold! And Tom Holmes presented awards to the football team with 'The Best Attitude Trophies' going to Nora (Y1), Skylar (Y1) and Tommy (Y5)

We say our goodbyes to Miss Thompson and Ms Evans at the end of the year and we will miss them dearly but know they are ready for their next chapters! We wish Miss Jefferies the best of luck in her secondment role too, but will see her around in her GLA lanyard! Our wonderful Y2's will be 'moving on' into Year 3! We also say goodbye to our incredible Y6's onto pastures new and know as my very first Reception class when I became interim headteacher, just how proud I am of you all over the past 7 years.

I must thank my incredible team! They really are hard working, dedicated and kind hearted staff and what a joy it is to share the expertise across our two schools, one community! They deserve time now to relax!

Thank you to our families for your ongoing support too - we all wish you a safe and happy summer, full of all the things that make your worlds go round!

See you in September!
