

TWO SCHOOLS ONE COMMUNITY NEWSLETTER

EDITION 41 - 11TH SEPTEMBER 2026

Dear Parents and Carers,

This week, we have been unpicking **The Good Morning Club** in even more detail in classrooms - you will find out more about this in your welcome meetings, which are being held across this week and next. We hope you can attend these and they provide an insight into your child's upcoming year at school.

Staff are working hard to update the website and soon will be uploading learning documents for you to access at home too.

The British Value of 'Democracy' has been in focus this week as the children have been voting for their house captains. NIS and CBJs School Ambassadors have also been chosen.

Further in the newsletter, you will find out who has been voted in for these awards. There were some excellent speeches presented to all houses. We are very impressed with the passion and preparation - well done to all!

School Council selection is underway and I will be able to share who our School Council will be on next week's newsletter.

The PTFA met last night for their AGM and have some amazing things planned for the year. The team really would appreciate anyone joining the team to helping to serve drinks at discos, take money on a Christmas Fair stall, wrap up presents for the grotto - the list could go on!

Please email pta.northwayinfantschool@outlook.com to let them know if you are able to help or support in any way. Any help you can give is always hugely appreciated and allows you even more active involvement in your child's life at school.

Have a lovely weekend.

SCOOTERS/BIKES

At both of our schools, we promote active travel to and from schools so encourage scooters and bikes and helmet's every day. This means our sheds can get quite full.

We are going to talk to the children about ensuring they put their scooters away after wheelie Wednesday in school and in the morning/afternoon but also make plea to parents to help their child put and collect their scooters safely in the shed.

We cannot accept any reponsiblitiy for scooters or bikes left on the premises, so they are left at your own risk. If you wish to take them away and bring them back with you, please do so.

Thank you for your co-operation.
